

Elegant gets top rankings

Elegant Hotels Group is celebrating yet another international award.

This time, its West Coast property, The House, has been named one of the **Top Resort's In The Caribbean** in the **Condé Nast Traveler Readers' Choice Awards 2017**.

As a result, the St James beachfront luxury adults-only hotel resort, which was ranked number 48 on the list, was featured on Condé Nast's online issue on October 17 and will be in the November print issue.

Condé Nast Traveler is a luxury and lifestyle travel magazine designed for the experienced, discerning, frequent traveller with an array of diverse travel experiences and information encompassing art, fashion, architecture, culture, cuisine, and shopping at a variety of destinations throughout the

world.

More than 300 000 travellers took part in the 30th annual **Readers' Choice Awards** survey – setting yet another new record – submitting millions of ratings and more than 100 000 comments to help create a list of winning favourites, from elegant castles in the Irish countryside to tented safari camps trailing the Great Migration across the Serengeti, tiny private islands in the tropics, small culture rich cities in Europe and intimate river cruises.

Elegant Hotels Group chief executive officer Sunil Chatrani called the listing an incredible accomplishment.

“This is a big win for our team members who work hard every day to ensure that our guests have the best experience possible” he said. (PR)
